COPAS-COLORADO NEWS

♦ March 2011 ♦ Volume 2010 – 2011 No. 7 ♦

President's Message

The Board has authorized the presentation of an Amendment to our Bylaws to be voted on by the general membership later this year. Currently, the Bylaws state that membership is transferable by the company to another employee if you leave that company. We have always allowed the member to continue the membership if they remain eligible for membership (within the industry/services). The revision will change the language of the Bylaws so our practice will be in compliance with them. Please see the section below on the Amendment.

I would like to thank Gayle Richardson, who is chairing the Bylaws Committee, for her work on this important project. We will vote on this Amendment at our April Annual Meeting. If approved, the Amendment will be effective for the year beginning July 1, 2011. Please contact myself or Gayle at Grichardson@sm-energy.com if you have any questions.

There will be NO Tech Session at the Marriott prior to our regular luncheon on March 15th. In lieu of our regular tech session, the Revenue Committee is sponsoring a tech session on Tuesday, March 8th at SM Energy. Please see their committee announcements below for more information or how to register.

Our March luncheon speaker is Tisha Conoly Schuller, President and Chief Executive Officer of Colorado Oil & Gas Association (COGA). She will be speaking about taxes in the oil and gas industry and potential changes on the horizon.

Our Education Day is in June this year and we will have no meeting in May. Our Education Day will be Tuesday, June 7th. The Education Committee is working hard to have a great keynote speaker immediately following the luncheon as well as great speakers throughout the day. Stay tuned for more information as they finalize the schedule and speakers.

My theme this year is "Together We Can Do It." I truly believe that without the volunteers and other members willing to step up to help we would not succeed. March's Volunteer of the Month is Cheryl Fabry with EKS&H. Please see the "Volunteer of the Month" section for more information.

Volunteer of the Month – Cheryl Fabry

Cheryl Fabry, with Ehrhardt Keefe Steiner & Hottman, PC, is our March Volunteer of the Month. She has been a member of COPAS-Colorado since 2008. Cheryl has been an active member ever since then. She has headed up the luncheon registration table every month this year as well as being a co-chair to the Small Oil & Gas Committee. If you see Cheryl, please thank her. She is a great member for stepping up and volunteering!

"The Board has authorized the presentation of an Amendment to our Bylaws to be voted on by the general membership later this year."

This month, Tisha Conoly Schuller, President and Chief Executive Officer of the Colorado Oil & Gas Association, will present her talk recently given to the state legislature about Colorado state taxes.

We would like to ask all members to please help us ensure that luncheon registration goes smoothly. The deadline for registration is noted in the monthly email blast as well as on our web site. Please make sure you put the correct email address in your registration. Should your plans change after registration, please notify Diane Kirk at dkirk@eksh.com. Education

We are beginning to identify topics and speakers for the 2011 Education Day. We have set a date of Tuesday, June 7, 2011 and are preparing for an exciting day. We welcome anyone who would like to be in on the process.

The education committee also has the annual COPAS-Colorado scholarship process underway. Similar to last year, we will be looking to give scholarships to four students who are working towards an accounting career in the oil and gas industry. Scholarship recipients will be determined based on written submissions. We are beginning to attend campus events to provide information on COPAS-Colorado and promote the scholarships.
