"We will have Sen. Hank Brown as the keynote speaker beginning at 1:00 so you don't want to miss the day."

Next General Meeting & Luncheon

June 7, 2011
Education Day
Lunch only: 12:00 PM
Sessions Begin: 8:00 AM

Marriott City Center
1701 California Street
Denver, CO 80202

Next Board of Directors Meeting

May 13, 2011
11:30 AM

Encana Oil & Gas (USA)
370 17th Street, Ste 1700
Denver, CO 80202

President's Message

Please remember that we will not have a May luncheon meeting. Our next meeting will be Education Day on Tuesday, June 7th. The Education Committee has done a great job organizing the event and speakers. We will have Sen. Hank Brown as the keynote speaker beginning at 12:40 so you don't want to miss the day. See the full agenda in this newsletter and on the website.

Our society had a great turn-out at the Spring 2011 National meeting in Houston. COPAS celebrated its 50th anniversary and fun was had by all. We had nineteen members attend. Houston did a great job. They had a museum with memorabilia from the past 50 years, karaoke during the banquet and plenty of photos were taken. Check out the COPAS website as they will be posting some of the pictures and presentations. They also had different skits and songs which celebrated (and made fun of) the past 50 years. The Leadership dinner was very special as all past COPAS Presidents were invited. They had 24 that attended and each one spoke about some of their memories.

On the business side of the National meeting, the committee meetings were well attended and some were setting record attendance. At the Council meeting on Friday, all voting items were approved. These votes included the overhead adjustment factor decrease of 0.7%, audit fee rate of \$800/day, workers' compensation and employers' liability insurance manual rates and the loading and unloading cost adjustment.

I hope to see you at Education Day and in September at the 2005 Accounting Procedure class. Have a great and relaxing summer!

Volunteers of the Month – Megan Hendershot

Our May Volunteer of the Month is Megan Hendershot with SM Energy. Megan has been a member of COPAS-Colorado since 2010. Megan was the liaison to the Education Committee for the Technology Committee and obtained one of the speakers for Education Day. She also presented at both a Technology Committee meeting and a Tech Session. If you see Megan, please thank her. Thanks Megan for volunteering since day one of your COPAS membership!

Education Day June 7, 2011

Please note that lunch is 12:00 to 12:40 PM. The keynote will begin at 12:40 PM. Out of respect to others and our speaker, if you cannot stay for the keynote, please begin to leave prior to the keynote speaker begins his presentation. We recommend that you exit during the Presidents messages.

However, we hope you can stay for Honorable Hank Brown's discussion on a Common Sense Energy Policy. He is a former Senator from Colorado and is on the Board of Director's at Delta Petroleum. It should be a memorable speaker.

We would like to ask all members to please help us ensure that luncheon registration goes smoothly. The deadline for registration is noted in the monthly email blast as well as on our web site. If you are a paid member, please log onto the web site and register even if you fail to receive the email blast. You do not need to register through the email blast. Please make sure you put the correct email address in your registration. Should your plans change after registration, please notify Diane Kirk at dkirk@eksh.com. You must also note any special meal requirements in your on-line registration (for example, if you are a vegetarian, vegan, do not eat beef, etc). The hotel cannot accommodate additional unplanned requests in a timely manner. Those requesting a special meal will need to inform their server of the request once seated.

Please note that you will be sent a registration confirmation a day or two before the luncheon. If you do not receive the confirmation, and you registered (but perhaps typed in your email incorrectly) or would like to register, please notify Diane Kirk immediately. You will be added space permitting.

Remember that registration starts at 11:30 a.m. and lunch starts at 12:00 p.m. Registration will not be open until 11:30 a.m. To attend, please register no later than Tuesday, May 31st at www.copascolorado.org/meetingregistration.html.

COPAS Education Day Agenda

Tuesday, June 7, 2011

****8 CPE Credits Available****

| Time | General Topic | Specific Topic | Speaker |
|----------------|------------------------|------------------------------|---|

Joint Interest/Audit

JI / Audit had their meeting on Wednesday, April 20th. The guest speaker was Mike Cougevan with Martindale Consulting. Mike presented an overview of the 2005 Accounting Procedures. Thank you Mike for your awesome presentation. We had 21 attendees representing 10 companies.

The committee is looking for an additional person to help with the coordinating and planning the monthly meetings. If you are interested, please email. The future meeting dates for JI / Audit are as follows:

May ---there will be no meeting

June ---Education Day, June 7th

New Professionals

On April 18th, Don McClure, VP Government & Stakeholder Relations & Legal, of Encana Oil & Gas (USA) Inc., presented at our April Lunch & Learn. Don's presentation was on the current and future state of natural gas development as well as facts versus myths in the documentary, Gasland, and other negative media surrounding our industry. Just under 80 people, representing 20 companies or firms, were in attendance. Thank you to Don for a great presentation, Encana for sponsoring the meeting space, and to Ernst & Young for sponsoring lunch!

Technology Committee chairs:
Margaret Hahn
mphahn@dcpmidstream.com
303-605-1876

The 2010-2011 COPAS year was a very successful year for our committee. We had record attendance at our lunch and learns and had a very successful school supply drive in the fall. With an average attendance of 75 people at our lunch and learns, we had few options for locations, so thank you to Encana and QEP for hosting our meetings throughout the year. We were able to provide lunch at each of our meetings thanks to Ernst & Young, PwC, EKS&H, and Enerplus. Finally, thank you to the volunteers that helped plan, facilitate and organize our events. These folks include, Carolyn Kircher, Jennifer Gordon, Josh Schwab, Amber Stockdale, and Meghan Hendershot from SM Energy, Joe Acker from Aexco, Josh Malm from PwC, Chele Zavik from Ernst & Young, Sarah Brittenham from Rampart Energy, Ellen Knobbe from Bill Barrett, and Matt McSkimin and Brittany DeMino from Anadarko.

On September 20, 2011, COPAS-Colorado will be offering a class on the 2005 Accounting Procedures. The class is organized through the COPAS MPACT Joint Venture. Watch for details on this course in mid-summer. Eight hours of CPE will be offered and the cost of the class is only \$225.

Please let us know if you would like to be more involved in the New Professionals Committee, interested in a leadership position for next year, or if your Company would like to assist in sponsoring one of our upcoming events!

Revenue Committee

The COPAS Technical Session was hosted by the Revenue Committee and the Midstream/Downstream Subcommittee on Thursday, April 14th at the offices of Anadarko Petroleum. The meeting was attended by 36 members representing Anadarko Petroleum, Black Hills, Credo Petroleum, DCP Midstream, Encana Oil & Gas, Fidelity E&P, Forest Oil, McElvain, P2 Energy Solutions, SM Energy, and Venoco Inc. Holly Hepp, Commercial Development Rep with Anadarko Petroleum discussed the midstream organization, contracts, compression, plant processing, economics and deal structures.

The Revenue Committee and the Midstream/Downstream Subcommittee meeting previously planned for Thursday, May 12th has been cancelled.

Tom Ferguson and Al Kravitz will be stepping down as chairs after the end of the 2010-2011 COPAS year. Many thanks are offered for their leadership and invaluable participation throughout their tenure. Shellene Kraft, Leanna Howell, Sofia Schlosser, and Susan Santistevan will continue in their roles as chairs for the 2011-2012 COPAS year.

Technology

The Technology Committee met for the last time this session on April 19th. Energy Navigator provided lunch as well as the speaker and topic on "Coopetition". It was an interesting presentation and generated a lot of conversation.

Berni Guest-Weaver,

Spring 2012 COPAS National Meeting
Planning Committee chair:
Diane Kirk
dkirk@eksh.com
303-740-9400

The Technology Committee meetings will resume in September for the 2011-2012 COPAS session. Stay tuned for dates and information coming to you in late Summer. Thanks to all of you who participated in the meetings this year. We had great turnout, participation, and growth. A special thanks to our lunch sponsors this year: Bill Barrett Corp, DCP Midstream, EKS&H, SM Energy, Oildex, MarkWest, and Energy Navigator.

Spring 2012 COPAS National Meeting Planning Committee

COPAS-Colorado is proud to host the Spring 2012 COPAS Meeting April 16-20, 2012. The meeting will be held in Denver at the downtown Marriott City Center. Our theme is "Making Tracks to the Mile High City." The committee is in the process of selecting activities and venues. We will publish more information as the planning progresses.

Thanks to all companies that have already decided to help sponsor the event. There is still time for your company to contribute. Letters were sent in April 2011 to our member companies regarding sponsorship opportunities at the meeting. There are various sponsorship levels and events available. We encourage our members to sponsor the meeting as these funds are a critical source of funding for the meeting and related activities and events. Please call or email Diane Kirk at dkirk@eksh.com if your company did not receive the letter. There are payment options available; however, we need to receive the pledge as soon as possible in order to determine and book the events and meetings.

We hope that you can join us and participate in a national meeting.

Membership Application & Change of Contact Information

In order to communicate effectively with all members, it is important for those members to let us know if there is a change in their contact information. If you have recently had a change, please complete the 'Change Contact Information' link on the COPAS-Colorado website. In addition, members are responsible for changing the National COPAS contact information. You can do so by logging in at www.copas.org.

Membership application and renewal forms are available on www.copascolorado.org/membership.html.

Please note the following:

- Members must meet the eligibility requirements for membership.
- Membership fees are paid for the fiscal year running from July 1 until June 30.
- Membership is granted to the individual and not to the company and is **non-transferable**.

Educational Opportunities

PDI Energy Classes

“Petroleum Accounting-Advanced” is a direct follow-on to Petroleum Accounting-Basic. Even if you haven’t taken PA-Basic, but have some experience in Petroleum Accounting, this program, which covers a subset of the advanced topics covered from “Petroleum Accounting”, by Dr. Horace Brock, will allow to get the most out of one full day of training. If you are interested in attending, please register as soon as possible as there is a limit on space availability.

PETROLEUM ACCOUNTING-ADVANCED

A 1 day Program

A seminar to enhance understanding and provide a refresher of Principles of Petroleum Accounting, based on the book by Horace Brock

8 hours of CPE Credit are awarded

Because of the unique nature of oil and gas operations, accounting methods used by oil and gas exploration and production companies are different from the methods used in other industries. Individuals attending this one-day seminar will be introduced to the more advanced topics in accounting for petroleum industry activities. The focus will be on generally accepted accounting principles for financial reporting purposes rather than accounting for federal income tax purposes.

When: Monday, May 16, 2011 8:30 – 4:30

Where: Office of SM Energy, 1775 Sherman St., Downtown Denver

CPE Awarded: 8 hours

Cost: \$325

To Register: To register with a credit card, please visit our website <http://energy.pdi.org>, click on “calendar” and select the program. Then click on “register now”.

If you have any problems with our website or would prefer to be invoiced and pay by check, please “Reply to All” to this email and we will register you.

Who Should Attend:

Accountants experienced in oil & gas who could use a refresher on the Petroleum Accounting topics listed below

Accountants from other industries moving into oil & gas

Accountants right out of college moving into oil & gas

Accountants in oil & gas who desire to broaden petroleum accounting perspective

Accountants who have already taken “Petroleum Accounting-Basic” and who would like instruction on more and advanced topics

Anyone who regularly uses the reference book “Petroleum Accounting”, by Dr. Horace Brock

Prerequisites: Petroleum Accounting-Basic or commensurate experience

Pre-Class Preparation: None

Program Level: Intermediate

Delivery Method: Instructor Live, Interactive

Upon Completion of this Program Participants will be able to:

Apply the key ideas and objectives of petroleum accounting

Be able to explain and apply the key aspects of each of the topics to his/her job function

Interpret and apply the principles and methods of the textbook “Petroleum Accounting”

Topics and exercises will be chosen from this list subject to program length:

Non-Value Disclosures About Oil & Gas

Value Based Disclosures

Accounting for Conveyances

Production Payments and Net Profits Interests

Farmouts, Carried Interests and Unitizations

**Asset Retirement Obligations
Accounting for Partnership Interests**

Please do not make non-refundable plane reservations until we have confirmed with you that the program will have sufficient participation to run on the scheduled day. PDI is not responsible for non-refundable travel costs. We will notify you as soon as the program reaches a quorum.

PDI is registered with the National Association of State Boards of Accountancy (NASBA) as a sponsor of continuing professional education on the National Registry of CPE Sponsors. State boards of accountancy have final authority on the acceptance of individual courses for CPE credit. Concerns regarding registered sponsors may be addressed to the National Registry of CPE Sponsors, 150 Fourth Avenue North, Suite 700, Nashville, TN, 37219-2417. Web Site: www.nasba.org

2207 North I 35-East

Denton, TX 76205

To register for any PDI class, please go to <http://energy.pdi.org>, click on "View Entire Calendar" and select the class. For more information, please send a note to jhoffman@pdi.org

The following open enrollment programs are scheduled for May and June in the Denver area. We welcome your participation and will continue to do our best to provide the Colorado Oil & Gas Community with top quality continuing professional education in energy as we have been doing for over 35 years

May 16 Petroleum Accounting-Advanced Topics - 8 CPE hrs

- Non-Value Disclosures About Oil & Gas
- Value Based Disclosures
- Accounting for Conveyances
- Production Payments and Net Profits Interests
- Farmouts, Carried Interests and Unitizations
- Asset Retirement Obligations
- Accounting for Partnership Interests

May 25 Natural Gas-Prospect to Burner Tip Topics-8 CPE hrs

- Natural Gas Industry Overview
- Natural Gas Supply and Disposition
- Natural Gas Gathering and Processing
- Natural Gas Transmission & Distribution
- Liquified Natural Gas (LNG)
- Natural Gas Storage
- Natural Gas Marketing
- Natural Gas Futures/Hedging
- The future of Natural Gas in the US and the world

June 15 Land for non-Landmen Topics - 8 CPE hrs

- Land and the Law – basic laws affecting oil and gas
- Ownership and Deeds – acquisition and transfer of property
- Rights & Obligations- mineral & surface owners & operators,
- What's it Worth? – to the mineral owner and to the operator
- Duties of the Land Department-Landman, Analyst, Div. Order

- Other Land Documents-JOA, DO, Assignment, Farmout
- Lease Negotiation – a practical exercise
- Dealing with Royalty Owners- issues and FAQ's
- Creation of Ownership Decks – Expense, Revenue & Royalty

June 27 Gas Plant Accounting Topics - 8 CPE hrs

- Why gas is processed - NGL product value vs gas value.
- How gas is processed – Gas plant processing from adsorption to cryogenic plants
- Gas Plant Allocations
- Calculation of theoretical NGL volumes based on product GPM
- Calculation of theoretical residue gas remaining
- Allocation of NGL's & residue gas based on theoretical volumes
- Gas plant Purchase and Processing Agreements
- Examples and Interactive Class problem
- Case Studies

Please contact Jim Hoffman jhoffman@pdi.org or 214-763-9644 for additional information or to register.

You can register on our website <http://energy.pdi.org>.

If you prefer to be invoiced or you encounter any difficulties on our website please email Jim at jhoffman@pdi.org
